**BFB FOUNDATION WOMEN’S SCHOLARSHIP AGREEMENT**

I understand that in order to receive a BFB Foundation scholarship, I will need to:

- Maintain an average of 80 points in her classes.
- Send invoices for allowable expenses to Mishelle Rodriguez, Academic Advisor.
- Maintain communication with the BFBF team (and sponsor if applicable).
- Send a copy of my grades every semester.
- Provide community service or volunteer in my community

Allowable Expenses include the following:

1. Payments that go directly to the university.
2. School supplies (books, notebooks, photocopies, etc.)
3. Transportation (for students using public transportation).

BFBF will deposit the money in your accounts every semester or when necessary. It is the responsibility of each student to manage their account and deliver all invoices to Mishelle Rodriguez, Academic Advisor. If a student does not deliver an invoice for an expense, they will not receive the deposit in their account. If BFBF discovers that the scholarship money is being used for non-allowable expenses, the student will be disqualified from the program.

BFBF has the right to withdraw a scholarship at any time if the student is not fulfilling her part in this commitment. After each semester, BFBF will evaluate each student's case to determine if they should continue to receive the scholarship.

I have read the information in this contract and understand my responsibilities. I agree to pay all my school fees on time to the University and deliver all my bills to the Academic Advisor. If something changes with my academic situation (for example, lack of examination, change of study area, etc.), I promise to communicate it as soon as possible.
